Intro Phrase / Tagline	The mobile Mini-ITX case that's built for speed.
Product Full Name/Title	Graphite Series 380T Mini-ITX Portable PC Case
25-Word Product Description	Graphite Series 380T Mini-ITX PC case combines smart design – inside and out – and portability without sacrificing space for your high-end components.
50-Word Product Description	The Graphite Series 380T packs a powerful punch in a portable Mini-ITX PC case. A built-in carrying handle makes transport a breeze. It's easy to build the road-ready computer of your dreams within a spacious, easy to access interior with room for an extra-long graphics card. You can keep things cool with mounts for up to six fans and a convenient front panel three-speed fan controller.
100-Word Product Description	The Graphite Series 380T Mini-ITX PC case doesn't make any comprises inside or out. The sleek design derives from Corsair's most-celebrated computer cases -- featuring eye-catching rounded corners as well as multiple color options. A built-in carrying handle lets you take it anywhere with ease. Fine-tune air-cooling performance with the three-speed fan controller. Visible through the windowed side panels, the roomy and easy to access interior delivers major real estate for your next rig with space for a full-length graphics card, six fans, and four drives. Plug in your USB 3.0 devices and headset through the front panel. Now you're ready to hit the road in style.
